

Reminder to patients

**Your GP Surgery will be closed on the 30 March (Good Friday)
and 2 April (Easter Monday)**

Please order and collect any repeat prescriptions on time so you have enough medications to last over the bank holiday period.

If you are feeling unwell when your GP Surgery is closed please consider seeking advice from your community pharmacist - they can advise on most minor ailments and you don't need an appointment.

You can also use the NHS Direct symptom checker at www.nhsdirect.wales.nhs.uk/SelfAssessments

Think - Is it Urgent?

Our out of hours service is for urgent care needs only and provides a service for individuals who are unable to safely wait for their own GP practice to open.

Please choose well and use the service most appropriate for your needs.
